~~~~~  
The undersigned certifies the above name and age are correct and grants permission for the above to participate in this program. The undersigned realizes that participation in this sports program involves risk of personal injury and hereby releases the team management and sponsors from any and all actions, claims and damages for personal injury or disabilities that the above-named player may sustain or incur as a result of participation in this competitive athletic program. The undersigned also understands that this is a volunteer program and that they are required to participate by working in the concession stand, base umpiring, etc. Fundraising will also be an important activity. **Failure for player to participate in practices, disciplinary issues, or failure of parent to work assigned concession stand may result in reduced playing time. Coaches assign parents to concession stand work times, if you do not work your assigned time there is a potential to charge upfront if we continue to have no shows in the concession stand.**
